

This policy states the commitment of Bronxx to embrace quality practices and procedures to ensure we produce quality products and experiences for end users.

Bronxx is a multi-award winning builder, developer and placemaker. The Bronxx brand promotes quality in every aspect of the business; from quality materials and finishes in the built environment, to a quality experience for all stakeholders and employees.

To achieve this vision, Bronxx's Senior Management Team commit to:

- Taking overall responsibility and accountability for the effectiveness of the Business Management System (BMS).
- Ensuring that the BMS policies and related objectives are established and are compatible with the strategic direction of the organisation.
- Ensuring the integration of the BMS requirements into the organisations business processes.
- Ensuring that the resources needed to establish, implement, maintain, and improve the BMS are available.
- Communicate the importance of effective quality management and of conforming to the BMS requirements.
- Ensuring that the BMS achieves its intended outcomes.
- Satisfy all applicable legal and other requirements.
- Engaging, directing, and supporting persons to contribute to the effectiveness of the BMS.
- Committing to and promoting continual improvement.
- Supporting other relevant management roles to demonstrate their leadership as it applies to their areas of responsibility.

We maintain and continuously improve a Business Management System that complies with the requirements of ISO 9001:2015.

This Quality Policy is applicable to our Managing Director, employees, contractors and to any person or organisation that represents us as well as suppliers in the conduct of their activities for and on our behalf.
